REACH⁺

Participation in the programme requires the purchase of **REACH⁺** books/licences by students. Students require just one **REACH⁺** book/licence code to cover senior cycle (2 - 3 years depending on whether or not they take TY). The online **REACH⁺** administration system is only available to schools participating in the programme, and is free. Each book has a unique licence code which is used to access the online part of the programme. Books/licences are non-transferable.
